Note 17 to the financial statements reflects pending accounts payable and other pending payables balances of Kshs.1,755,700,997 and Kshs.451,352,574 respectively. The pending accounts payable balance of Kshs.1,755,700,997 includes supply of services pending accounts payable balance of Kshs.1,755,700,997 includes supply of services Kshs.409,472,260 which further includes an amount of Kshs.67,910,596 owed to Kenger Power. However, Kenya Power records show an amount of Kshs.50,973,758 resulting an unreconciled and unexplained variance of Kshs.16,936,837.

1.2 Unreconciled LAPFUND Balance

Other Important disclosures reflect pending accounts payable balances totalling Kshs.1,755,700,997 which includes supply of services of Kshs.409,472,260 which furth includes an amount of Kshs.114,051,555.40 in respect to LAPFUND. However, Total National Treasury records show that the county owes an amount of Kshs.39,360,268 respect to LAPFUND resulting in an unexplained and unreconciled variance Kshs.74,691,287.40.

In the circumstances, the accuracy and completeness of accounts payables – supply services balance of Kshs.409,472,260 could not be confirmed.

2. Incomplete Asset Register

Annex 5 to the financial statements reflects total cumulative summary of non-curre assets of Kshs.12,703,331,982. However, assets inherited from the defunct municiple councils were not included in the register.

Included in the balance of Kshs. 12,703,331,982, is Kshs. 3,814,395,773 in respect to be However, the County Executive did not provide a list of all parcels of land owned by County, their specific locations, approximate size, value, and respective title decounty.

Although the County Executive explained that it had already made efforts to acquire ownership documents, the verification and validation exercise for the assets owned by ownership the devolved unit has not been undertaken. Further, no title deeds in the name of the County Government were provided for audit.

In the circumstances, the existence, valuation, ownership and location of specific land parcels could not be confirmed.

3. Unconfirmed Leasing of Medical Equipment Amount

Review of other important disclosures under Note 5 to the financial Statements revealed leasing of medical equipment amount of Kshs.122,723,404 and Kshs.110,628,298 for the current and comparative year respectively deducted at source. However, no records were available for audit indicating how the amount deducted at source was treated in the books of the County Executive.

In the circumstances, it was not possible to confirm the accuracy and existence of the equipment leased at a cost paid under current year of Kshs. 122,723,404.

4. Long Outstanding Accounts Payables

Further, analysis of the schedule of pending bills records revealed that the current pending bills amount to Kshs.2,207,376,005, while the outstanding bills for the last Kshs.1,926,990,499. This represents an increase financial year were Kshs.280,385,506 or 13% increase in pending bills from the financial year 2022/2023.

In addition, analysis of pending bills revealed that the Management has long outstanding payables totalling Kshs.62,940,557 from financial year 2015/2016.

Management did not support the pending bills by a report from the task force appointed by the County to review the bills. Failure to settle bills during the year in which they relate distorts the financial statements and adversely affects the budgetary provisions for the subsequent year to which they have to be charged.

I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Emphasis of Matter

Budgetary Control and Performance

The statement of comparison of budget and actual amounts (recurrent and development) combined) reflects final receipts budget and actual on comparable basis Kshs.7,298,577,468 and Kshs.6,022,913,829 respectively resulting to an under-fund of Kshs.1,275,663,640 or 17% of the budget. Similarly, the County Executive spe Kshs.6,020,517,257 against an approved budget of Kshs.7,298,577,468 resulting to under-expenditure of Kshs.1,278,060,212 or 18% of the budget.
